## Swan Valley Planning District

Required information to accompany applications.

An application for a Development Permit shall be accompanied by plans drawn to scale, maximum size 11 x 17, showing the following:

- 1. The shape and dimensions of the site to be used and built on,
- 2. The location and dimension of existing buildings and structures and their distances from property lines.
- 3. The location and dimensions of the proposed building, structure, enlargement or alteration, including separation distances from site boundaries.
- 4. The use or uses of each existing and proposed building or structure, or of the use of the land, and the area to be occupied by each use.
- 5. Vehicular access and utility connections.

And shall include any other information required by the development officer to determine compliance with, and to provide enforcement of, the zoning by-law.
